7. On 24 September 1953 the garrison seemed to be full of troops. East of the troops were engineers. Observed military installations are shown on Enclosure 2(b).

Velvety (N51/F34)

8.	Enclosure 3(a) shows restricted military areas. In area No. 1 is an	
	underground factory for aircraft bombs and aircraft components.	25X
	The areas are guarded by military sentries and Interior Cuards. Fost	
	of the troops observed in the area were AA artillery, the rest were sig-	
	nal corps and Air Force.	4

Most (N51/F13)

25X1

25X1

25X1

25X1

- 10. The barracks in Most (Enclosure 3(b), Pt. 1) are occupied by infantry and a unit with brown shoulder boards. The barracks area has a rectangular form with sides 310 and 312 meters long. The barracks consist of two-, three-, and four-storied brick buildings, garages, and a garden.

Tolnice (N51/F35)

Zatec (N51/F10)

13. An unidentified tank unit is stationed in the town.

PS Units in the Cinovec (N51/F25) Area

- A PS unit is quartered in Cinovec. It occupies three two-storied buildings located opposite the Cinovec pit. The frontier area around Cinovec is restricted to civilian population.
- 15. A PS unit of undetersimed strength is quartered in Foitovice (N51/F35).
- 16. A PS unit 147 men strong is quartered in Horni Krupka (N51/F35).
- 17. A PS unit about 250 men strong is quartered in Dubi (N51/F24).

Maneuvers in Pribram (NOO/L53) Area

18. large-scale maneuvers called "Ministerske oviceni" (Ministry maneuvers) took place in the brdy forests west of Pribram.4 The maneuvers lasted from Live ammunition was used and many important persons were present, including President Zapotocky, members of the Government and high Party officials.

25X1

		→
EV4		
5X1	1	Comment. According to a previous unconfirmed report of July 1013, the parrison was about 2,000 men strong.
5X1	2.	Corment. It was reported in surrer 1952 that the World War II German-built underground factory in the former line-stone quarry, which was abandoned after the war, would be re-opened.
:5X1	3.	Corment. Col. GSC Ladislav Jilma is a pre-war engineer corps officer who gra wated from the Military Academy in Hranice (P50/025) in 1937.
		He passed the General Staff College in Prague in 1947 and became Chief of Staff of Engineer Corps on the General Staff. Later he commanded the 2nd Engineer Regiment in Pisek (N50/069).
25X1	4	appeared here before. Apparently it means maneuvers on a large scale. The Brdy forest area probably means the Jines (N50/L45) training area.
